Requirement for students admitted before September 2021 - Three compulsory courses including SHSM6010 Research Issues and Methodology in Speech and Voice, SHSM6020 Research Issues and Methodology in Language, and SHSM6030 Research Issues and Methodology in Hearing.

# Students may initiate to, or on the recommendation of their supervisors, take additional courses in research methods and/or discipline-specific training depending on individual students’ learning needs.

^For confirmation of candidature, students in Speech and Hearing Sciences must have satisfactorily completed the Discipline-specific Course “Research Issues and Methodology in Speech and Hearing” among others.

MPhil and 4-year PhD students registered in or after September 2021 are allowed to enrol for

- the Graduate School’s 3-hour module on research methods (GRSC6104/6105/6106/6107) in addition to, but not in lieu of, the Faculty’s compulsory 3-module foundation course in research methods comprising of EDUR6010, EDUR6020 and EDUR6011/EDUR6021;
- the Graduate School’s 3-hour module on thesis writing (GRSC6120/6121/6140/6141) in addition to, but not in lieu of, the Faculty’s compulsory course in research writing, i.e. EDUR7107.
