

# Publishing with the Lancet Journals – Perspective from a Senior Editor

Dr. Pingyue Jin  
Senior Editor, [The Lancet Global Health](#)

**Date:** May 6, 2025 (Tuesday)

**Time:** 3:00 p.m. – 4:00 p.m.

**Format:** Zoom

---

## Overview

Join Dr. Pingyue Jin, Senior Editor at *The Lancet Global Health*, for an insightful session on navigating the publication process with *The Lancet* journals. This webinar will cover essential steps from manuscript preparation to responding to reviewer feedback, offering practical tips to align research with *The Lancet's* editorial standards. Participants will gain a deeper understanding of journal priorities, submission best practices, and strategies for revising work based on peer review. A live Q&A will address specific queries, making this session ideal for researchers and students aiming to publish in high-impact journals.

## Learning Activities

- Introducing *The Lancet* journals
- Pre-submission: prepare the manuscript
- Post-submission: reviewers' comments and responses
- Question and Answer session

## About the Speaker

Dr. Pingyue Jin joined The Lancet Global Health (Beijing Office) as a Senior Editor in February 2022. Before joining The Lancet Group, she was an Assistant Professor first in the School of Public Health and later in the School of Health Policy and Management at the Chinese Academy of Medical Sciences/Peking Union Medical College. She completed her PhD in Biomedical Ethics and Law at the University of Zurich in Switzerland in 2014. She has a broad interest in global health and population health sciences, with a special focus on health equity, social determinants of health, ageing, and implementational research.
